

Dear Dog Owner:

All dog licenses expire on January 31st of each year regardless of when the license was purchased in the previous year. In order to obtain a license, you must comply with information requested on this application.

Please complete this application with the correct fee, proof of rabies certificate (must not expire before October 31, 2014), spay/neuter certificate, and a self-addressed stamped envelope to the following address: **PLUMSTED TOWNSHIP MUNICIPAL CLERK, 121 EVERGREEN ROAD, NEW EGYPT, NJ 08533**. Please make checks payable to Plumsted Township. Your new tag will be mailed back to you along with your certificates.

According to the State Department of Health, we cannot issue a dog license for your dog if the date of your rabies certificate expires before October 31, 2014. You may attend any rabies clinic in the State of New Jersey, but dog licenses for Plumsted Township residents must be purchased in Plumsted Township. Please consult your newspaper for scheduled rabies clinics in any surrounding municipality for January, 2014.
